

School Resource Officers

The Seneca Valley School District, in conjunction with the Jackson Township Police Department, provides Police service to the Seneca Valley School District's Secondary Campus. The School Resource Officer, who is a sworn Police Officer in Jackson Township, is on the High School campus during regular school hours, during the school year.

A few words from the School Resource Officers:

Welcome! We want to take a moment and thank you for your interest in the Jackson Township School Resource Officer page.

This section is designed to give you a better idea of some of the things that the School Resource Officers do on the campus of the Seneca Valley School District Campus. In addition to handling, investigating and filing charges for incidents and offenses that are done on the campus, we also patrol all three school buildings (Senior High, Intermediate and Middle school) and grounds of this campus. We work closely with school administrators and personnel to further a safe learning environment for the students and staff. At various times of the year, We go into the classroom as a guest "instructor" and speak to health classes and other various classes anytime a teacher and or administrator requests us pending on the subject matter.

In addition, We are also available to students to answer any questions they may have, such as what to do with a speeding citation, a problem they might be having in a class or at work, what it takes to become a police officer, or questions about college. Please feel free to contact either of us.
