Fees for the Stenographer shall be shared equally by the applicant and the Township, with the applicant's portion deducted from the Deposit. If at any time during the progression of an application or appeal it is determined by the Township that the balance available from the Deposit is or will be inadequate to fully cover the anticipated costs and expenditures, the applicant shall be notified of the inadequate balance and provide the Township with an additional Deposit equal to the first Deposit. The applicant's refusal or failure to provide the additional Deposit within a timely manner shall constitute an automatic rejection of the application or appeal as administratively incomplete. At the completion of the requested hearing, any remaining portion of the Deposit, after the Administrative Fee and all other fees and expenditures have been deducted, shall be returned to the applicant upon written request. If a transcript of the proceedings is requested, the requesting party shall bear the cost of the transcript. Continuances requested by the applicant shall constitute a new application and require the submission of the fees required for an original application.

15. Consultant And Review Fees

The Township, at its discretion, may require any and all application materials or related subsequent construction or improvements to be reviewed and/or inspected by the Township Code Official/Building Inspector, Township Engineer, Township Traffic Engineer, Township Solicitor or other professional consultants, with the applicant being responsible for all costs of said review as billed to the Township.

16. Deposit

The applicant shall be responsible for reimbursing the Township for any and all costs incurred by the Township in relation to any application, including but not limited to: all necessary reviews, examinations, inspections, tests and any other work by the Township Code Official/Building Inspector, Township Engineer, Township Traffic Engineer, Township Solicitor and other Township professional consultants as determined to be necessary by the Township Secretary/Manager, or his/her designee, or the Board of Supervisors, and as required to satisfy the Second Class Township Code and other Township, County, State and Federal laws and regulations; certified mailings; advertising costs; stenographer fees; hearing transcript fees; and drafting of necessary contracts, agreements and other legal documents. If the Township anticipates or later discovers that consultant review fees and other costs will be required as part of the administration of an application, then the Township may require that the application include, or be supplemented by submittal of, a deposit fee in the amount of \$600.00, unless a different amount is established by this Resolution or the Township Secretary/Manager determines, in consultation with the Township Solicitor, that a greater monetary deposit is necessary based upon specific circumstances at issue. Township costs, expenses and fees related to the application will then be deducted from this deposit. If it is determined by the Township that the deposit balance is insufficient at any time, then the applicant shall immediately provide the Township with an additional deposit in an amount equal to the first deposit, unless the Township Secretary determines, in consultation with the Township Solicitor, that a greater monetary deposit is necessary based upon specific circumstances at issue. The applicant’s refusal or failure to provide the additional deposit in a timely manner shall constitute an automatic rejection of the application as administratively incomplete. Any remaining funds will be returned to the applicant upon written request.

Appendix C: Highway Access And Street Opening Permit Fees

Pennsylvania Code Title 67, Transportation

§ 441.4. Permit fees. (HIGHWAY ACCESS)

(a) *Permit Issuance Fees.* Issuance fees shall be used to defray costs incurred by the Department in reviewing and processing the application and plan, including the preliminary review of the site location identified in the application, and issuing and processing the permit.

1. Issuance fees shall be as follows:

(i) Minimum use driveways—\$15.00

(ii) Low volume driveways—\$30.00

(iii) Medium volume driveways—\$40.00

(iv) High volume driveways—\$50.00

2. Supplement fee each six-month time extension or each submitted change shall be—\$10.00

(b) General permit inspection fees. General inspection fees shall be used to defray costs incurred by the Department in spot inspection of permitted work or subsequent inspection after the permitted work has been completed, to insure compliance with the permit and this chapter; they shall be as follows:

1. Minimum use driveway—\$10.00 each

2. Low volume driveway—\$20.00 each

3. Medium volume driveway—\$35.00 each

4. High volume driveway—\$50.00 each

(c) Exemptions. Permit issuance fees and general permit inspection fees shall not be payable by any of the following:

1. The Commonwealth
2. Political subdivisions of this Commonwealth
3. Governmental authorities organized under the laws of this Commonwealth
4. The Federal government
5. Charitable organizations which are exempt from or in compliance with act of August 9, 1963, P. L. 628, No. 337 (10 P. S. §§ 160-1—160-17)

(d) Additional inspection fees. If the Department determines that the permitted work is of sufficient magnitude or importance to warrant assignment of one or more employees to inspect the permitted work on a more than spot inspection basis, the permit will so indicate and the permittee shall be charged for all salary, overhead, and expenses incurred by the Department for inspection.

(e) Refunds. The Department will refund the general permit inspection fees on unused permits. In order to be eligible to receive such a refund, the permittee shall deliver the request with the permittee's copy of the permit to the issuing district permit office on or before the permit expiration date.

1. A refund processing fee of \$10.00 shall be deducted from the general permit inspection fees.
2. The permit issuance fee shall not be refundable on unused permits.

(f) Miscellaneous fees. The applicant shall pay notary and recording costs including the cost of recording the permit in the County Office of the Recorder of Deeds when required, and the cost of all drainage releases. Permits shall be recorded whenever deemed necessary by the Department, including when:

1. a permit requires drainage facilities to be installed and maintained;
2. a permit authorizes one or more high volume driveways to be constructed; or
3. an access covenant (Form CC-14) is executed with the permit as specified in paragraph (16) of § 441.6 of this title (relating to general conditions).

§ 459.4. Permit fees. (STREET OPENING)

(a) Permit application fees. Application fees charged to defray costs incurred by the Department in reviewing and processing the application and plans, including the preliminary review of the site location identified in the application, whether or not a permit is issued and processed shall be as follows:

1. Application fee—\$50.00

2. Supplement fee (each six-month time extension) (each submitted change)—\$10.00
3. Emergency permit card (each card)—\$5.00

(b) General permit inspection fees. General inspection fees charged to defray costs incurred by the Department in spot inspections of permitted work or subsequent inspections after the permitted work has been completed and to monitor compliance with the permit and this chapter shall be as follows:

1. Surface openings. This fee is calculated on the total linear feet of the opening being permitted with different areas of the right-of-way.

(i) Total linear feet of opening (each 100 feet increment or fraction thereof):

(A) Opening in pavement—\$40.00

(B) Opening in shoulder—\$20.00

(C) Opening outside pavement and shoulder—\$10.00

(ii) If a longitudinal opening simultaneously occupies two or more highway areas identified in subparagraph (i), only the higher fee will be charged. Linear distances shall be measured to the nearest foot.

2. Surface opening of less than 36 square feet—for example, service connections performed independently of underground facility installation, pipe line repairs—(each opening):

(i) Opening in pavement—\$30.00

(ii) Opening in shoulder—\$15.00

(iii) Opening outside pavement and shoulder—\$10.00

(iv) If an opening simultaneously occupies two or more highway areas identified in subparagraphs (i)—(iii), only the higher fee will be charged.

3. Above ground facilities (for example, poles, or guys or anchors if installed independently of poles).

(i) Up to ten physically connected aboveground facilities (each continuous group)—\$20.00

(ii) Additional aboveground physically connected facilities (each pole with appurtenances)—\$2.00

4. Crossings (for example, overhead tipples, conveyors or pedestrian walk-ways, and under grade subways or mines)—\$80.00

5. Seismograph—Vibroseis method (for example, prospecting for oil or gas).

(i) First mile—\$50.00

(ii) Each additional mile or fraction therefore—\$5.00

(6) Nonemergency test holes in pavement or shoulder (each hole)—\$5.00

(c) Exemptions. Permit application fees and general permit inspection fees are not required from the following:

1. The Commonwealth.
2. Political subdivisions of this Commonwealth, except when placing a facility longitudinally within more than 100 total linear feet of pavement. In that case, the application and inspection fees for pavement openings will be charged under subsections (a), (b) and (d).
3. Governmental authorities organized under the laws of this Commonwealth, except when placing a facility longitudinally within more than 100 total linear feet of pavement. In that case, the application and inspection fees for pavement openings will be charged under subsections (a), (b) and (d).
4. The Federal government.
5. Utility facility owners for:

(i) The installation or maintenance of highway lighting at the request of the Department or political subdivisions.

(ii) The replacement or renewal of their facilities prior to a Department maintenance project after notice from the Department.

(iii) The removal of poles and attached appurtenances.

(iv) Facilities moved at the request of the Department or political subdivisions.

(v) Reconstructing or maintaining their facilities which occupy the right-of-way under private status.

(d) Additional fees. If the Department anticipates that the cost of reviewing the required application information or inspecting the permitted work will exceed the application or inspection fees listed in this section by a significant amount, the following additional fees will be assessed:

1. Additional application fee. The Department will estimate the additional amount of salary, overhead and expenses and prepare a reimbursement agreement for execution by the applicant. Department review of the permit application will commence on the effective date of the agreement.

2. Additional inspection fees. If the Department determines that the permitted work is of sufficient magnitude or importance to warrant assignment of one or more persons to inspect the permitted work on a more than spot inspection basis, the permit will so indicate and the permittee shall be charged for additional salary, overhead and expenses incurred by the Department for inspection.
3. Charge calculation. The charges will be calculated either on an actual cost basis or a standard unit cost basis.
4. Invoices. The Department will provide an itemized invoice for additional fees owed to the Department.

(e) Refunds. The Department will refund the general permit inspection fees on unused permits. To be eligible to receive a refund, the permittee shall deliver the request with the permittee's copy of the permit to the issuing district permit office on or before the permit expiration date.

1. A refund processing fee of \$10.00 shall be deducted from the general permit inspection fees.
2. The permit application fee is not refundable.

(f) Miscellaneous fees. The applicant shall pay for notary and recording costs if it is determined by the Department that the permit shall be recorded in the county office of the recorder of deeds.
